PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 30th August, 1951

SUBJECT.—Submission of consolidated application by an actual user in respect of all articles falling under Part II to V of the Import Trade Control Schedule, which are required to be imported for industrial use.

No. 136-ITC(P.N.)/51.—Hitherto, actual users, other than those to whom the special procedure governing the case of assisted industries applied *vide* para. 6 of Appendix B of Part III of the Red Book for July-December 1951, were required to submit separate applications in respect of their requirements falling under separate serial numbers of the Import Trade Control Schedule. This procedure has proved somewhat cumbersome and inconvenient as apart from having to submit a number of applications in each case, it was also necessary to file a Director of Industries certificate (or attested copy) with each application. It has accordingly been decided to simplify the existing procedure, in the manner described in the following paragraphs.

2. In future, actual users should make only one application in respect of all their requirements of articles of raw materials or accessories falling under Parts I (uncontrolled items only) to V of the Import Trade Control Schedule, for their use in industrial production, provided:—

- the requirements are shown as licensable to actual users in the licensing policy for the period for which the application is made;
- the manufacturing process includes the making of some essential components in India and does not merely amount to the assembly of imported components;
- separate applications are submitted for articles to be imported from each currency area;
- each application is supported by a list (in quadruplicate) giving a precise description of each article to be imported with the quantity and value in each case; and
- each application is supported by a Director of Industries certificate in the prescribed form.

3. Such applications are to be made to the Import Trade Controller at the port, within whose regional jurisdiction is located the applicant's factory or industrial unit *vide* Appendix E to the Red Book for July-December 1951.

4. It should be noted that hereafter Directors of Industries will issue only one certificate covering all the items of raw material or accessories or other specialised items required to be imported by a firm. In cases where a party's requirements are to be imported from more than one currency area, the original Director of Industries certificate is to be submitted with one of the applications and an attested copy with the others. In the other cases a cross reference is to be given to the application with which the original certificate has been filed.

5. The Import Trade Controller at the port, on receipt of such an application will issue one single licence per currency area, for the articles to be imported from each currency area. An attested copy of the list of articles will be appended to each licence.

6. In the case of articles which are not shown as licensable to actual users, separate applications per serial number of the Import Trade Control Schedule should be made to the licensing authority concerned for consideration on merits. Such applications also to be supported by a Director of Industries certificate, and must contain the special reasons for which the applicant asks for a licence even though no specific provision for such licensing to actual users exists.

7. Industries governed by the special licensing procedure referred to in para 1 above will continue to make their applications to the Chief Controller of Imports, New Delhi as hitherto.

L. K. JHA, Chief Controller of Imports.

New Delhi, the 31st August 1951

SUBJECT.—Licensing of import of Cycles and Cycle accessories for July/December, 1951 period.

No. 137-ITC(PN)/51.—The attention of importers is invited to Public Notice No. 105-ITC(PN)/51, dated the 15th June, 1951 wherein it was stated that a separate announcement would be made regarding the licensing of cycles and cycle parts.

7. (b) Any further information which the applicant may wish to furnish to show his standing and ability to enter the Import Trade and his connection with this line of trade e.g., business in tyres and tubes etc. (Supporting evidence to be enclosed with the application.).....

8. Has any application for item under the same Serial No. already been made by the applicant for the same period from any currency area? If so, give details

9. Have any branches of associated companies mentioned in 7(a) or any of the gentlemen named in 6(c) applied for an import licence for import of these goods for the same period? If so, give details

I/We hereby declare that the above statements are true and correct to the best of my/our knowledge and belief. I/We fully understand that any licence granted to me/us on the basis of the statement furnished is liable to cancellation if it is found that any of the statement or facts therein are incorrect or false. I/We further declare that I/We do not qualify for an import licence as an Established Importer/or Actual User in respect of goods of description applied for in this application.
